

## Gypframe<sup>®</sup>

D37K MAIN TEE and D32K CROSS TEE

The performance advantage concealed ceiling grid,  
supporting the range of RhinoBoard<sup>®</sup> plasterboards,  
Gyptone<sup>®</sup> and Rigitone<sup>®</sup> acoustic gypsum boards

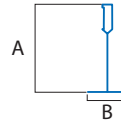

Gypframe® D37K ceiling grid, our performance concealed grid ceiling solution.

Gypframe® D37K offers a T-bar design suited for a wide range of concealed grid application and is ideal in combination with RhinoBoard® 9, 12.5 and 15 mm alongside performance boards, catering for impact, fire and moisture resistance complimented by the range of Gyptone® acoustic gypsum boards.

Below are the components that work with the Gypframe® D37K ceiling grid to complete the ceiling grid.
